## ELIGIBILITY

1. All swimmers must be registered for 2025 with Metropolitan Swimming, Inc. as of the entry deadline. Any swimmer, who is entered and is unregistered will be scratched from the meet. Registrations will not be processed at the meet. No swimmer will be permitted to compete unless the swimmer is a member as provided in Article 302.
2. In addition, to be eligible to swim in this meet, swimmers must have competed in individual events in a minimum of three (3) Metropolitan Swimming Inc. sanctioned meets (or Regional or Nationals Championships while registered with and representing Metropolitan Swimming, Inc.). Attendance at a meet as a relay-only swimmer does not count as one of the 3 Metro Meets requirement. Historical Metro swimmers are exempt as indicated in Metro Policies 202.2.
3. Entry times must equal or better the qualifying standards. Short Course Yards (SCY) times will be the conforming standard and will be seeded faster than LCM and SCM times. Entry times may NOT be converted. Times must have been achieved between **January 1, 2024** and the meet entry deadline.
4. All times must be provable in the SWIMS database.
5. Relays may be entered with composite times.
6. Relay-only swimmers must be entered before the meet deadline, **February 3, 2025**, to be eligible to swim.

8. In compliance with USA Swimming regulations, **all adult athletes** (those who are 18 or older) **participating in the meet must have up-to-date Athlete Protection Training (APT) in order to compete.** Swimmer who turn 18 during the meet, need to have completed the APT in order to continue competing, even if their age for the meet is still considered to be 17.

## ENTRIES

1. A swimmer may enter any event for which they have met the qualifying standard but may participate in no more than six (6) individual events during the meet.
2. If a swimmer exceeds their maximum daily or meet allowance of events and is not properly scratched, then the first (6) events listed for that swimmer are the events that they will be seeded in and they will be scratched from all remaining events.
3. A swimmer may not swim more than three (3) individual events on any one day. Time Trials count towards an athlete's number of individual events. Once a swimmer is seeded in an event, it counts as an event for that day.
4. A swimmer may swim in any number of relay events during the meet, and relay swims will not count towards their individual event total.
5. **All entries must be submitted via the OME by February 3, 2025.** This is the only accepted way to enter this meet, with the exception of new swims achieved after the meet deadline.
6. Your entry file should be supplemented by an entries per athlete report, emailed to [entries@metroswimming.org](mailto:entries@metroswimming.org) to establish the number of Metro meets swum.
7. **Reminder – please wait until your athletes have exhausted all of their chances to qualify or improve seed times before you finalize your OME entry. Once you submit via OME and check out you will not be able to make changes, you can only add new entries.**

## DISABILITY SWIMMERS

Swimmers with disabilities are encouraged to enter and participate. Please notify the meet director of any accommodations you might require. The athlete or the athlete's coach is also responsible for notifying the Meet Referee of any disability prior to the competition so that all appropriate accommodations can be made.
